

2019 LAWN CARE SERVICE

The 2019 lawn care season is fast approaching, and we look forward to again providing you with our professional and reasonably priced lawn cutting service between May 1 and November 30.

Pat Chapelle, our lawn care specialist, will again look after your lawn cutting needs this season. Pat has over 15 years experience in providing quality lawn care services. He is committed to continuing our tradition of helping you keep your lawn looking its best!

Our lawn service works like this:

- The service is for 7 months from May 1 to November 30, 2019. Your lawn will be cut every second week, weather permitting.
- We will trim hedges if they are 6 feet or less in height. We will do a fall leaf clean up and rake and bag your leaves.

Our lawn service is much more affordable than private contractors at **\$625** for a standard property for the entire 7 month season! And we do NOT charge the additional 13% HST!

Please note that:

- We can only accept a limited number of clients - first come, first served.
- We reserve the right to refuse service depending on your location or the size of your property.
- The price may be higher for properties that have larger than average lawn cutting needs.

If you would like to sign up for our lawn cutting service, please fill out and return the following form and payment by April 24, 2019, or call 416-249-7946 if you have any questions.

I agree to the terms and conditions outlined above and want the following payment option:

- One cheque for \$625 dated May 1, 2019 payable to West Toronto Support Services which must be received with this form no later than April 24, 2019.**

OR

- 2 cheques payable to West Toronto Support Services - one for \$325 dated May 1, 2019 and a second cheque for \$300 dated June 1, 2019. Both cheques must be received with this form no later than April 24, 2019.**
